Share Your Gifts
 Share in the Church's Mission

As United Methodists, we are committed to helping each person reach his or her God-given potential. When we accept and share the gifts we have received, we act out in service our personal response to God's love. We become the church in mission.

We each promised to give our time, our talents, our gifts, and our service when we joined the United Methodist Church. Each of us has unique gifts and graces to share. Please look over the areas listed here for volunteer service. Place a checkmark if you are interested in joining this area or if you currently are involved and wish to stay involved in this area.

If you can give an hour or two once a week, once a month, or once a quarter, it will be a blessing not only to you but also to our church family.
